

JOINT PURCHASING NEWS

January, 2009

Illinois has experienced a number of snow/ice events already this winter season. CMS will continue to provide information regarding the availability of materials to assist in helping to keep streets and highways open. CMS is able to supply a list of salt vendors for anyone seeking assistance in identifying possible sources from which you may procure salt. These purchases would be made independent of the State contract. Please read the attached [MEMORANDUM](#) for additional information.
